High waters force Fourth of July events to dry ground

THE COLONY, Texas — All the rain of late has not dampened our patriotic spirit. The show must go on! Due to the flooding at Lewisville Lake, the 2015 Liberty by the Lake festival has been relocated to The Colony Five Star Complex, 4100 Blair Oaks Drive.

We are planning the kinds of fun and exciting activities that you have come to expect at Liberty by the Lake. Mark your calendars for Saturday, July 4, and join us for a day of festive fun! Check out all the details at www.LibertyByTheLake.com.

The 30th annual Liberty 5K, 10K & 1 Mile Fun Run is also moving to a new venue in 2015 as a result of the lake conditions. We are excited to announce that this year's event will be held at Grandscape, home to the new Nebraska Furniture Mart of Texas, 5600 Nebraska Furniture Mart Drive. We promise you will have a grand time! [Online registration](#) is underway now.

For more information about these and other events, call the Parks & Recreation Department at 972-625-1106.
