## **Eastbound South Colony closed at Paige Road June 12**

THE COLONY, Texas — Starting at 8 a.m. Friday, June 12, eastbound South Colony Boulevard, just east of Paige Road, will be closed for about four hours while Public Works crews continue work on the [buckled roadway](#) at that intersection.

The closure is necessary so concrete may be poured and made ready to set in one lane, following which the other lane will be reopened. This process will be repeated as needed to repair both lanes in the coming days and weeks.

Please plan accordingly and utilize alternate routes, such as Memorial Drive or Morning Star Drive. Thank you in advance for your continued patience.
