West Lake Highlands Drive to close for roadwork

THE COLONY, Texas — Texas Department of Transportation officials have advised the city that there will be a full closure of West Lake Highlands Drive at the intersection of FM 423 for three days in June, starting June 24 and continuing through June. 26.

This closure is necessary for excavation, installation of a box culvert, and restoration of the roadway. Emergency vehicles and residents will still have access to the Eastvale neighborhood via Lake Park Drive.

This closure is part of the Main Street Widening Project. During construction, the Engineering Department will post updates and information regarding the progress of this, and any other project at <http://www.thecolonytx.gov/Resident/RoadRepairs.html>, including when and where specific work will take place.

In addition, updates can be found on the city's social media and in the bimonthly electronic newsletter. If you have additional questions, you may email Director of Government Relations Brant Shallenburger at bshallenburger@thecolonytx.gov or call 972-624-3108.
