Traffic notice: Business access at Main Street/SH121

THE COLONY, Texas — As part of an ongoing effort to keep residents informed, officials with the City of The Colony are in continuous contact with representatives from the Texas Department of Transportation regarding the progress of the Main Street Widening Project.

In addition to Main Street lane closures, we feel it important to provide residents with notices of traffic switches and other closures that may impact your travel.

Upcoming or ongoing construction of note is listed below. *You may need to refresh your browser to view the most-current document.*

The following roadwork began Thursday, Jan. 7, and will continue for approximately two to three weeks:

- both westbound entrances from Main Street into the business and shopping centers at the northwest corner of Main Street/FM 423 and State Highway 121 are closed for paving. Motorists may still access the Walmart, Chik-fil-A restaurant, Emelia's Tex-Mex restaurant, etc. via Memorial Drive to the north or the SH121 frontage road to the south.

During construction, the Engineering Department will also post updates and information regarding the overall progress of this project at <http://www.thecolonytx.gov/Resident/RoadRepairs>, including when and where specific work will take place. In addition, updates can be found on the city's social media and in the bimonthly electronic newsletter. If you have additional questions, you may email Director of Government Relations Brant Shallenburger at bshallenburger@thecolonytx.gov or call 972-624-3108.
