TCPD responds to report of deceased persons

THE COLONY, Texas — Just before 9 a.m. Wednesday, Feb. 3, The Colony Police Department received a 9-1-1 call from an employee of Budget Suites, 5289 State Highway 121, who reported the discovery of two deceased persons inside a room of the complex.

The Colony Police arrived and confirmed the discovery, soon after which TCPD Detectives and the Denton County Medical Examiner responded to conduct a death investigation.

There was no immediate sign or evidence to indicate foul play or other criminal activity but an autopsy to be performed by the Medical Examiner will identify a cause of death. Due to the decomposition of the bodies, the identity of the victims has not been confirmed.
