Parks & Recreation: 972-625-1106

Dog park grand opening set for Oct. 8

THE COLONY, Texas — Join The Colony City Council and The Colony Community Development Corp. board from 10 a.m. to noon Saturday, Oct. 8, for the grand opening of the city's **Pawsome Playground Dog Park** at the new facility, 4800 East Lake Highlands Drive, across from The Colony Animal Services facility. The event will feature vendors, activities, and more.

The brand new dog park will feature two expansive areas for both large and small dogs. It will also have shade structures with bleachers, benches throughout the park, dog-waste stations and trash receptacles, a drinking fountain with a big dog bowl, and several non-functioning fire hydrants, among other amenities.

A 6-foot chain-link fence lined with a variety of landscaping surrounds the park. There are also three bioswales in the park, which use vegetation to naturally filter storm water runoff prior to the water entering the storm drainage system.

The event was originally scheduled for Sept. 17 but construction-related delays forced the grand opening celebration to be postponed. We apologize for the delay and hope you and your four-legged friends will join us for this much-anticipated celebration!

For questions or more information, contact The Colony Parks & Recreation Department at 972-625-1106.
