

Make a Commitment to Serve

MAKE A DIFFERENCE DAY **Saturday, Oct. 22, 2016**

On Oct. 22, volunteers from across the country will unite for *Make A Difference Day*, one of the largest annual single-days of service nationwide. It is a celebration of neighbors helping neighbors and the power of people to make a difference. During this year's *Make A Difference Day*, millions of volunteers throughout the country will participate in a variety of community projects designed to engage volunteers and community members in building strong, vibrant neighborhoods and communities, all the while helping others and promoting volunteerism. Regardless of age, location or resources, people can accomplish incredible things when they work together to tackle some of the challenges they see in their community.

On Saturday, Oct. 22, 2016, the City of The Colony will join volunteers across the nation with a common mission – to improve the lives of others in our community. We invite you to join us in service on *Make A Difference Day*. Volunteers will be participating in various projects around the city that may include fence repair, tree trimming, painting, graffiti removal, trash and debris clean-up in city parks and the Shoreline Trail. The *Make A Difference Day* volunteers will meet at **8 a.m.** at **Lions Club Park**, 4800 Nash Drive, The Colony, TX 75056. If you would like to participate in this year's *Make A Difference Day* community projects, please use the link below www.SignUpGenius.com/go/409094FACAC2EA1FD0-make.

If you need additional information, please contact Prakash Abraham at 972-624-3142 or pabraham@thecolonytx.gov.
