Groping suspect taken into custody

THE COLONY, Texas — At approximately 1:30 p.m. Oct. 25, The Colony Police Department received a 911 call from female caller stating that a subject followed her to her apartment located in the 4700 block of Memorial Drive.

The caller stated that the subject placed his hands on her in an offensive and inappropriate manner. The caller was able to get away from the subject to call 911 and give dispatchers a description when the subject ran away.

Responding officers were in the area and quickly located Treshawn Jahmal Robinson, 22, who matched the description and was a short distance away at The Colony Five Star Complex. Robinson admitted to grabbing the female caller. Robinson was then arrested for Assault-Offensive Contact and transported to The Colony Jail.

On Monday, Oct. 24, officers were called to the Wal-Mart located at 4691 State Highway 121 and took a report for a similar call about a female caller stating she was grabbed inappropriately and the subject ran away. After checking surveillance footage from cameras, it was determined that the subject in Wal-Mart matched the description of Robinson.

The Colony Police Department asks that if you have had any dealings with Robinson in the same manner, please contact their Criminal Investigation Division at 972-625-1887.

The investigation is still ongoing at the time of this release.
