

PRESS RELEASE – Oct. 31, 2016
Government Relations: 972-624-3108

Carr Street at FM 423 closed Nov. 2 to Dec. 7

THE COLONY, Texas — As part of an effort to keep residents informed, officials with the City of The Colony are in continuous contact with representatives from the Texas Department of Transportation regarding the progress of the Main Street Widening Project.

In order to continue that progress, TxDOT officials have advised the city that there will be a **full closure of Carr Street at the intersection with FM 423 starting Wednesday, Nov. 2, and continuing through Dec. 7**. This closure is necessary for excavation, utility work, and restoration of the roadway. During this timeframe, motorists are encouraged to detour via Larner Street to the south.

During Main Street reconstruction, the Engineering Department posts updates and information regarding the overall progress of this project at <http://thecolonytx.gov/Resident/RoadRepairs.html>, including when and where specific work will take place. In addition, updates can be found on the city's social media and in the bimonthly electronic newsletter. If you have additional questions, you may email Director of Government Relations Brant Shallenburger at bshallenburger@thecolonytx.gov or call 972-624-3108.
