

PRESS RELEASE – Feb. 16, 2017
Government Relations: 972-624-3108

Ragan Road closed to thru-traffic starting Feb. 17

UPDATE (3/2/17): This work began on Feb. 17 as scheduled but utility conflicts were discovered, postponing further work until March 1. The following closures will take effect from the new date:

THE COLONY, Texas — As part of Phase VI Residential Street Reconstruction, contractors are scheduled to begin storm drain work the morning of Friday, Feb. 17, on Ragan Road between Reed and Sherman drives.

As a result, **Ragan will be closed to thru traffic for approximately two weeks**, weather permitting. **Sherman Drive will remain accessible via Ragan Road. Area residents may also detour via Allen Drive.**

Please see the following link for more information about the Phase VI Residential Street Reconstruction Project: <http://thecolonytx.gov/Resident/RoadRepairs.html#phasevistreetreconstruction>.
