Fire Department: 972-625-3944

South Colony at Main closed while gas leak repairs continue

THE COLONY, Texas — Both directions of South Colony Boulevard east of the intersection with Main Street/FM 423 are currently closed while utility crews continue work to repair a gas leak. The work is expected to last much of the day. Motorists are encouraged to avoid the area.

Businesses to the north of the intersection will be allowed to open today but those on the south side will remain closed.

Emergency services first responded to the leak at approximately 1:30 p.m. Wednesday, March 22.
