Business access at northeast corner of Main/Memorial

THE COLONY, Texas — As part of an effort to keep residents informed, officials with the City of The Colony are in continuous contact with representatives from the Texas Department of Transportation regarding the progress of the Main Street Widening Project.

In order to continue that progress, TxDOT officials have recently advised the city of:

- **full closure of driveway access from Main Street to businesses on the northeast corner of Main Street and Memorial Drive for approximately two weeks while crews perform paving work on northbound Main Street.** Access to Rapid Med Urgent Care, Goodyear, Chicken Express, and the Bristol Oaks Apartments will be off Memorial Drive during this time.

During Main Street reconstruction, the Engineering Department posts updates and information regarding the overall progress of this project at <http://thecolonytx.gov/Resident/RoadRepairs.html>, including when and where specific work will take place. In addition, updates can be found on the city's social media and in the bimonthly electronic newsletter. If you have additional questions, you may email Director of Government Relations Brant Shallenburger at bshallenburger@thecolonytx.gov or call 972-624-3108.
