Turn-lane closure on Cougar Alley set for June 5-12

THE COLONY, Texas — As part of an effort to keep residents informed, officials with the City of The Colony are in continuous contact with representatives from the Texas Department of Transportation regarding the progress of the Main Street Widening Project.

In order to continue that progress, TxDOT officials have advised the city that there will be a **full closure of the westbound left-turn lane of Cougar Alley at the intersection with FM 423 starting at 9 a.m. Monday, June 5, through 3:30 p.m. Monday, June 12.** This closure is necessary for paving work.

During Main Street reconstruction, the Engineering Department posts updates and information regarding the overall progress of this project at <http://thecolonytx.gov/Resident/RoadRepairs.html>, including when and where specific work will take place. In addition, updates can be found on the city's social media and in the bimonthly electronic newsletter. If you have additional questions, you may email Director of Government Relations Brant Shallenburger at bshallenburger@thecolonytx.gov or call 972-624-3108.
