## KTCB hosts annual ‘Owl & Howl Prowl’

THE COLONY, TX – Have you ever been on a guided tour of The Colony Shoreline Trail? Here’s an opportunity to learn about the many wildlife and native plants on the trail from a local expert. Join [Keep The Colony Beautiful](#) (KTCB) for a rare chance to stay on the trail after hours and learn more about the Shoreline Trail.

Go on a leisurely, guided “Owl & Howl Prowl” from **6:30 to 7:30 p.m. Tuesday, Oct. 24**, to look for wildlife and their tracks and signs with Texas Master Naturalist and local resident Donna Cole. Listen and learn how to identify sounds from local nocturnal animals.

Get educated about the wildlife that lives around and among us and how we can coexist peacefully.

The walk will be approximately 1-2 miles round trip. Bring water and dress for the weather; bug spray and binoculars are optional. Make sure to bring your flashlight. Participants are asked to **meet at intersection of Lakeshore Boulevard and Lake Ridge Drive between 6:15 and 6:30 p.m.** We encourage everyone to sign up for the event at: <https://www.eventbrite.com/o/ktcb-15089586858>.
