Calling all volunteers for Make a Difference Day!

THE COLONY, TX – On Saturday, Oct. 28, volunteers from across the country will unite for [Make A Difference Day](#), one of the largest annual single days of service nationwide.

Since 1992, volunteers and communities have come together on Make A Difference Day with a single purpose: to improve the lives of others. It is a celebration of neighbors helping neighbors and the power of people to make a difference.

On that day, the City of The Colony will join those millions of volunteers from around the nation by working on a variety of local projects throughout the city. Projects may include: fence repairs, tree trimming, painting, graffiti removal, and trash and debris clean-up in city parks and along the Shoreline Trail.

Volunteers will meet at 8 a.m. Saturday, Oct. 28, at Lions Club Park, 4800 Nash Drive. The event will last until noon. Light refreshments will be available at the conclusion. Participants must be at least 12 years old and are encouraged to [register online](#). Please bring work gloves. Other project-related materials will be provided.

For additional information, contact Neighborhood Enhancement Officer Danny Dill at 972-624-3159 or ddill@thecolonytx.gov. Make A Difference Day is brought to you by [Keep The Colony Beautiful](#).
